

**OUR PURPOSE:** We work in partnership with Traditional Owners of the Central Desert as they shape a self-determined future of independence, control, and connection to Country, Culture and Community.

## OUR STRATEGIC ELEMENTS

### Our People...

are energised, motivated, engaged and living our values.

### The People we serve...

have substantially completed native title and compensation claims and the PBCs who we provide services to are financially strong with good governance.

### Our structure, systems & processes...

are efficient, cost effective and fit for purpose.

### Our finances...

we have diversified funding sources, have significant revenue from fee for services and a strong balance sheet.
